ESRA (UK & Ireland) has changed its name to Regional Anaesthesia UK (RA-UK / RA-UK.org). RA-UK is the recognised UK national affiliate of the parent society European Society of Regional Anaesthesia and Pain Therapy (ESRA). Previously, membership of ESRA automatically conferred membership of ESRA (UK & Ireland) to residents of UK and Northern Ireland, at no additional cost. At the Annual Member Meeting Belfast May 2010, it was agreed to levy an annual member fee of £25. This fee will help support all the activities of the society and is optional as all ESRA members will still be members of RAUK (ESRA member), but without some of the added advantages of being a full RAUK member. If you decide to pay the £25 RAUK annual membership fee in addition to the ESRA membership fee, the additional benefits are:

1. Membership of a more nationally identified society, with aims and objectives independent of the European society, but affiliated with it.
2. Free copy of "[A Pocket Guide to Ultrasound Guided Regional Anaesthesia](#)" when you first join
3. A direct debit facility to allow automatic annual payment of both RAUK and ESRA membership fees. The ESRA fee will be forwarded to ESRA by RA-UK on the member's behalf. Currently, the ESRA fee has to be paid annually by credit card, when requested by ESRA.
4. 15% Discounts on all RA-UK sponsored national meetings, the value of which will exceed the RA-UK membership fee.
5. Eligibility to small grant awards (see website).
6. Notification of society activity/courses via an electronic newsletter.
7. Eligibility to apply for 'RA-UK course approved' recognition
8. Reductions on bulk orders of 'A Pocket Guide to Ultrasound Guided Regional Anaesthesia' for courses

Subscription Fees

1. RAUK will collect its annual fees on or around 1 January every year. The amount collected will be the ESRA fee (if applicable) + £25/15/10 RA-UK annual subscription.
2. If you also elect to join ESRA, we will ensure that your ESRA membership fees are transferred to ESRA. In exchange, we will provide you with a code that will enable you to activate your ESRA membership, without having to pay them separately. Please use the same email address to sign up with ESRA that you use with RAUK.
